Introduction 学校简介

Jiangxi University of Engineering (JUE) was initially started in 1983 which was born and grew under the influence of “the reform and opening-up” of China. In 2014, with the approval of the Ministry of Education, JUE was permitted to become an undergraduate level college. In the last 40 years, JUE has created a “Xinyu Phenomenon and JUE effect” which indicates that JUE does have a certain influence in the field of education. JUE is located in Xinyu city of Jiangxi Province which is the only “new energy and technology” city in China. Xinyu is a city with an ideal location and has the highest level of urbanisation and living standard in Jiangxi Province.

The campus area of Jiangxi University of Engineering is 1,317,400 square meters of which area of buildings is 565,700 square metres. There are 28 experimental training centres in JUE. The largest CNC training base that designated construction by the Ministry of Education is in Jiangxi University of Engineering. Besides, JUE’s ability in robots and laboratories of intelligent practical creating ranks extremely high in Jiangxi. One of the principals of JUE is that experts focus on the college management while outstanding teachers concentrate on teaching. At present, there are more than 1,000 teachers and staffs among which 998 are professional teachers, and 1 foreign teacher. 65% of them are carrying a title of Senior Profession.

The teaching and living facilities in JUE are complete with canteen, banks, college hospital, shopping area, library, playground, stadium, theatre and so on. All these advantages have provided a sound and convenient living and studying environment for both students and teachers.

江西工程学院始创于1983年。学校沐浴改革开放的春风，诞生于市场，壮大于市场。2014年经教育部批准，升格为本科层次的江西工程学院。40年来，学院创造了教育领域的“新余现象，江工效应”。学院坐落在唯一的国家新能源科技城——江西省新余市。地理位置优越，是江西城镇化水平、生活水准最高的城市。

学院校园占地面积131.74万平方米，建筑面积56.57万平方米。建有实验实训中心28个。拥有教育部指定建设的江西省内规模最大的数控实训基地。机器人及智能加工实训室全省首屈一指。学院实施专家治校、名师治教。师资力量雄厚，现有教职工1000多名，专职教师998名，外籍教师1名，65%以上具有中高级职称。基本实现了中年教师硕士化、青年教师本科化、双师型教师培训化。

江西工程学院餐厅、银行、诊所、商场、图书馆、田径场、体育馆、剧场等教学活动设施一应俱全。生态型、花园式和数字化校园环境为师生提供了良好和方便的学习、工作和生活条件。
